## EXTRACURRICULAR ACTIVITIES

### **Pigmyce Robotics** - *Manufacturing Lead and Research and Development Lead*

September 2015 - PRESENT

- Extensive leadership experience on numerous manufacturing projects.
- Founded and led the Research and Development Department to improve planning and implementation of robotic components.

### **Cleveland Warrior's Football** - *Starting Varsity Running Back*

September 2015 - PRESENT

- Outspoken leader and example to the team, received both the "Royal C" and "Heart of a Warrior" awards.
- Accumulated experience in leadership, teamwork and athletics. The sport also taught me the value of determination, hard work, and community.

### **Portland State Aerospace Society (PSAS)** - *Airframe designer*

July 2017 - PRESENT

- Worked alongside PSU students and faculty designing, constructing and facilitating open source rocket projects. The long term goal of the organization is to put a satellite into orbit.

## COMMUNITY INVOLVEMENT

### **Volunteer School Math Tutor**

September 2016 - PRESENT

- Worked with football coach to implement a tutoring system to aid to students, many of which were my fellow teammates, with their math assignments during lunch and after school. Kept the student's math teachers updated as to their progress.

### **Boy Scouts of America, Troop 113** - *Life Scout, Senior Patrol Leader*

February 2012 - PRESENT

- Gained leadership experience and a value for responsibility and authority.
- Currently in the process of completing the Eagle project for the Eagle Scout Rank.

### **The Church of Jesus Christ of Latter Day Saints** - *Quorum Leader*

February 2013 - PRESENT

- Led other youth in my quorums in activities and service events.
- Assisted within the community in outreach efforts to those in need and those experiencing difficulties.

---

## EDUCATION

### **Cleveland High School**
